

**TEEHEE ENGINEERING, INC.**  
**GENERAL CONTRACTOR**

**8(a) Certified/Native American/  
Women Owned Business**

**Teehee Engineering** has been providing services to the U.S. Government since our company was founded in 2002. In essence 100% of our past work has been for the Government. We have structured our company systems, procedures and hire only construction professionals with extensive military experience and share our commitment to delivering outstanding workmanship and service.

We are proud to construct projects that support our military personnel and their operations. We strive to deliver projects that will contribute to a better quality of life for our military personnel and provide functional, reliable, and maintainable facilities in which they work and train. Our ability to successfully complete projects is a testament to the reliability and professionalism of the Teehee Team and our commitment to building a better tomorrow.
